NAM NGUYEN

FRESHER FRONT-END DEVELOPER

"

I started learning how to code in January 2021 and spent most of my day experimenting with HTML, CSS, JavaScript, React, Node, Express, and MongoDB.
I enjoy coding and the challenge of learning something new everyday. I also value every career opportunity and will do everything in my power to add value to the company.

PROJECTS

VIETNAM TRAVEL

https://vietnam-travel.netlify.app/

This project is a website where visitors can get detailed information, latest news & useful tips on visas, destinations, cuisine & what to do in Vietnam.

• React / TailwindCSS / Router Dom V6

REVERIE E-COMMERCE

https://reverie-watch.netlify.app/

Reverie watch is an E-commerce website selling luxury watches. This project has key features such as: fully responsive, register, login, logout, Paypal payment, customer rating, filter products, pagination...

• React / Hooks / ContextAPI / TailwindCSS
• Node/ Express / MongoDB / Jwt / Cloudinary

PERSONAL PORTFOLIO

https://namdeveloper.netlify.app/

This project is the very first project I built after breaking out of the tutorial hell. I got inspired by many great developers I have learned from Youtube, Udemy & Freecodecamp.

• React / CSS / Animista animation
